Node Refund Bridge Structure Advance Program

February 21, 2026

Legal Disclaimer

This document is provided for informational and program participation purposes only. Participation does not constitute an investment contract, security, ownership interest, profit-sharing arrangement, loan agreement, or debt instrument.

No representations or guarantees are made regarding earnings, profits, timelines, refund availability, or financial outcomes. Rewards are conditional program-based incentives and are not guaranteed. This Program is not offered to the public and is not intended for investment purposes.

Program Overview

The Node Refund Bridge Structure Advance Program is available to any GTC member who has an outstanding expected Node Refund balance of \$500 or more. Eligible members may elect to apply multiples of \$500 of their expected Node Refund toward the purchase of a Bridge Structure, whether it is Bridge 1, Bridge 2, or Bridge 3.

Starting Wednesday, February 25th, you will see the **Node Refund Wallet (NW)** in your back office. This includes those members who requested a refund that has not been paid yet or has been partially paid, those members who are receiving a 50% refund, although we have removed the Unity 2 requirement, and those members who did not request a refund at all... **ALL** contributors that have not received their full Node refund will be included.

Members will also be able to pay for their monthly membership to **The Golden Connection**, from their NW, after becoming a **paid GTC member**, should they choose.

There will be a separate button for the NW on your Internal Wallet page. And there, you will be able to see all of your transactions that are occurring from your Node Refund Wallet (NW), such as Transfers to other members, Bridge Structure Purchases, Company transfers to your Internal Wallet, or paid membership into The Golden Connection, etc.

It will also be during this time that you can start to make Transfers to other members, in advance of the actual opening of the program. Each transfer will require a Google Authenticator code.

Transfer Questions & Clarifications

1) Can an invitee make a NW transfer to their inviter?

Yes

2) Can a NW member make a transfer to anyone in their organization, or just their personal invitee?

They can make a transfer to anyone in their organization, which would be anyone below them. The only member they can make a transfer to, above them, is their personal inviter and no higher.

3) Can a NW member make a transfer to a non NW member?

Yes. If you, as a Node Wallet holder want to make a transfer to a member in your organization that does not have a Node Refund wallet, you can do so, but that member will need to make the additional payment, \$25, for example for a Bridge 1, before they receive

the transfer (more details to come on this) and they will also receive the same rewards, as a NW member.

4) Can I purchase any of the Bridge Structures with my NW?

If you are **not** a paid member of **The Golden Connection** and you already have an open Bridge Structure, then you **cannot** purchase another one. However, if you are a **paid** member of The Golden Connection, you can purchase multiple Bridge Structures, whether B1, B2, and B3.

Bridge Structure Rewards Upon Completion when purchased from your Node Wallet (NW)

Structure	Total Cost	NW Advancement	Member Pays	Reward to Member	Company Retains
B1	\$525	\$500	\$25	\$1,000	\$500
B2	\$1,050	\$1,000	\$50	\$2,000	\$1,000
B3	\$1,575	\$1,500	\$75	\$3,000	\$1,500

For members who do not wish to participate and prefer a refund, refunds remain subject to company liquidity. No timeline can be guaranteed. All refunds are expected within one year if possible.

Nature of the Transactions

For clarity and avoidance of doubt, this Program operates as a **bridge loan against the member's expected Node Refund**. By participating, the member is effectively advancing multiples of **\$500 of their anticipated refund** into a Bridge Structure or other approved advance transactions, contributing only the remaining additional costs for the Bridge Structures and becoming eligible to receive the rewards mentioned above, subject to all applicable program terms and conditions.

Waiver and Release of Node Refund Claim

As a **material condition of participation**, the member must expressly agree to the following:

1. The advanced amounts from the Node Refund Wallet **shall be permanently dismissed and waived** as an expected Node Refund. The member's **expected Node Refund balance shall be reduced by** the amount advanced and where applicable, may be reduced to **\$0**.
2. The member **irrevocably releases and discharges GTC** from any obligation, liability, or future claim relating to the waived portion of the Node Refund.
3. The waived Node Refund amount is **final, non-reversible, and permanently closed**, and the member shall have **no right, now or in the future**, to request, dispute, or recover the waived refund amount from GTC under any circumstances.

Illustrative Example

If a member has an expected Node Refund of **\$2,000**, the member may elect to apply **\$500** toward a Bridge 1 Structure. Upon completion, the member would receive **\$1,000**, the Company would retain **\$500**, and the member would retain a remaining expected Node Refund balance of **\$1,500**, subject to existing refund terms.

Special Provision for Paid Members of The Golden Connection

If the member maintains an active, paid **Golden Connection (GC) Membership**, the member may elect to apply their remaining expected Node Refund balance (e.g., **\$1,500**) toward the purchase of **3 additional Bridge 1 Structures**, for example, with a total out-of-pocket cost of **\$75**.

By exercising this option:

- The member's expected Node Refund balance shall be **fully reduced to \$0**.
- All Node Refund obligations shall be deemed **fully satisfied and permanently extinguished**.
- The member expressly agrees that **no further Node Refund is owed, expected, or claimable**, and that the matter is **forever closed**.

Program Purpose

The **Node Refund Bridge Structure Advance Program** is designed to allow members with pending Node Refunds to **immediately participate in the Bridge Structures and/or The Golden Connection/or both**, including access to its benefits through an active paid monthly GC Membership, while providing a structured and final resolution of Node Refund obligations.

If a member is not a paid GTC member, they can still participate in the **Node Refund Bridge Structure Advance Program** but cannot participate in **The Golden Connection** until they become a **Paid GTC member**.

Member Acknowledgment and Acceptance

By electing to participate in the **Node Refund Bridge Structure Advance Program**, the undersigned member ("Member") hereby **acknowledges, represents, and agrees** as follows:

1. **Voluntary Participation.**

Member affirms that participation in this Program is **entirely voluntary** and is not required as a condition of membership, continued participation, or eligibility for any other platform offered by GTC.

2. **Application of Program Balance.**

Member expressly authorizes GTC to apply multiples of **\$500 of Member's expected Node Refund balance** as a **program credit** toward participation in the Bridge Structures. Member understands and agrees that this amount is **applied for program participation purposes only** and is **no longer refundable**.

3. **No Loan or Extension of Credit.**

Member acknowledges and agrees that participation in this Program **does not constitute a loan, extension of credit, or debt obligation** by either party. No interest is charged or paid, and no repayment obligation is created.

4. **Waiver and Release of Refund Claim.**

Member **knowingly, intentionally, and irrevocably waives, releases, and discharges** GTC, its affiliates, officers, directors, members, agents, and representatives from **any and all claims or demands** relating to the applied portion of the expected Node Refund.

5. **Finality of Refund Closure.**

Member acknowledges that the applied Node Refund amount is **permanently extinguished, non-reversible, and forever closed**, and that Member shall have **no right, now or in the future**, to request, dispute, or recover the applied amount from GTC under any theory or circumstance.

6. **No Investment or Security.**

Member understands and agrees that participation in the Program **does not constitute an investment, security, ownership interest, or profit-sharing arrangement**. Any rewards or benefits described are **program-based incentives**, are **not guaranteed**, and are conditioned solely on satisfaction of program requirements.

7. **No Expectation of Profit.**

Member affirms that participation is for **program access and engagement purposes only**, and not with any expectation of profit, passive income, or appreciation of value.

8. **Opportunity to Review.**

Member acknowledges that they have had sufficient opportunity to **review all Program materials**, ask questions, and seek **independent legal, financial, or tax advice** prior to acceptance.

9. **Binding Agreement; Electronic Acceptance.**

Member agrees that this acknowledgment constitutes a **legally binding agreement**. Acceptance via **electronic signature, digital acknowledgment, or checkbox confirmation** shall be deemed valid and enforceable to the fullest extent permitted by law.

Acceptance

☐ I have read, understand, and agree to the terms above.
